

JABRIL JEYLANI

Denver, CO • (720) 809-9371 • jabrilmj@gmail.com • [LinkedIn](#) • [GitHub](#)

Resilient and adaptable entry-level Software Engineer with a solid foundation in software development principles. Through my work experience, I've become a collaborative team player with skills in Customer-Focused Service and Problem-Solving. Having just completed a 15-Week Software Engineering Bootcamp with ActivateWork powered by Per Scholas, I have always been someone with a deep passion for learning new technologies.

CORE COMPETENCIES, SKILLS, & PROJECTS

Core Competencies: Git, Github, HTML, CSS, Javascript, Canvas API, Mongo.DB, Express, React+Redux, Node
